Pursuant to the provisions of Section 1770-1777 of the Labor Code of the State of California, Director of the Department of Industrial Relations has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacations, pension and similar purposes in the locality in which the work is to be done. Information relative to the employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council. The Contractor shall forfeit, as penalty to the Agency fifty dollars (\$50.00) for laborers, workmen, or mechanics employed for each calendar day or portion thereof, if such laborer, workman or mechanic is paid less than the general prevailing rate of wages herein referred to and stipulated for any work done under the proposed contract, by him, or by any subcontractor under him, in violation of the provisions of the Labor Code and, in particular, Sections 1770 to 1781 inclusive. Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

The Watershed Conservation Authority reserves the right to reject any or all bids and to waive any irregularity or informality in any bid to the extent permitted by law.

**NOTICE TO CONTRACTORS**

**CONTINUED**

Attention is directed to the provisions of Chapter 9, Division 3 of the Business and Professions Code requiring contractors to be licensed. No proposal will be accepted from any contractor unless he is licensed in accordance with the laws of this state. Contractor shall procure all permits incident to the lawful prosecution of the work. Further, the Labor Code of the State of California prohibits a contractor from performing work on a public works project with a subcontractor who is ineligible pursuant to Section 1777.1 or 1777.7 of said code.

Each bidder shall visit the site of the proposed work and fully acquaint himself with the conditions relative to construction, labor, plans, specifications, and special provisions. Submission of the proposal shall be taken as conclusive evidence of this familiarity with the job site and conditions relative thereto.
